Just a heads up - David Anderman will be joining the meeting to put forth his recommendation that [REDACTED] ( who is on the agenda to be promoted to an Exec Assistant) salary be increased to [REDACTED]. I told Janetta is was ok only if he comes in and makes his pitch and then he needs to leave so you and Steve can make your decision. Janetta has already told him I don't agree with the [REDACTED] salary and I don't want you to feel pushed into approving [REDACTED]. In looking at the comp sheet, she would be at the top other than [REDACTED] (who doesn't get OT) and [REDACTED] who has been here 20 years. She is the second "newest" employee in the EA group. We are proposing [REDACTED] which would put her mid pack. Unless we want to raise the salaries of the other EA's, I think this is fair. David is basing his recommendation of [REDACTED] on his opinion of the market but doesn't have anything to substantiate it.

Hi Jan,

We hope you are feeling a little better and that at least you are home and more comfortable.
